Dear Bill:

I am pleased to confirm reception of WSME on December 12, 1966, from 3:12 to 3:25 EDT on 1220 kHz. As you guessed I was not the engineer at the time of this test but upon checking in our test logs I find that your report is correct. I am truly sorry for the delay in confirming your reception.

Sincerely,

Robert M. Smith Jr.
Chief Engineer
