Maurice W. Nittler
Box 94,
Geneva, Nebraska

Dear Mr. Nittler;

Your reception report is hereby confirmed in every detail. Thanks very much for tuning in to our DX program of March 5th. Our reception reports totaled 38 ranging from coast to coast and from Montreal, Canada to Arlington Virginia. Most of them reported some interference from WNOR Norfolk, but our signal overrode it sufficiently to be understandable.

Sincerely,

RADIO STATION WIKB

Lester Patten
CHIEF ENGINEER
