Dear Mr. Nittler:

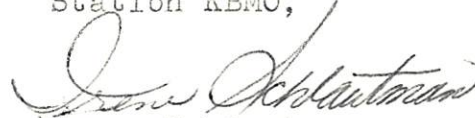

Thank you for your letter. Terribly sorry about the delay in verifying your report. The engineer that gave the test left the station and apparently took the reports along with him and were never answered.

Your report for the test performed by KBMO on January 20th, 1958 is verified.

Truly sorry about the length of time that has lapsed since your first report. You certainly aren't inconveniencing me. Thanks for your report and patience, we are

Yours very truly,

Station KBMO,

(Mrs.) Irene Schlautman,
Office Manager.
