Maurice W. Nittler
Englewood,
Colorado.

Dear Mr. Nittler:

In reply to your recent letter, this is to verify your reception of our signal on October 18, 1957 and again on March 1958- on the 19th.

Forgive our delay in writing, but we have been extremely busy here at K D I O, and have had to put first things first.

Congratulations on your 1404 verifications, with 28 of them in Minnesota. You are to be highly commended for your diligence and perserverence at your receiver.

Thank you for your letter, we'll look forward to hearing from you again.

Sincerely,

Richard S. Schultz
Chief Engineer
K D I O
