Dear Sir,

Pleased to announce that your reception of KDOM, Windon is correct.

Thank you for your concern about our flood situation, and with equal pleasure I can tell you the worst is over for Windon, KDOM is a daytime station from 6:30 AM till 6:00 P.M. and it'll sure feel good to sign off at the regular time and get some sleep.

We were operating 24hr. a day for over 3 day and not much rest was obtained by our staff
