Dear Bill:

We appreciate hearing from you; and this letter is to officially inform you, that the station you were listening to, November 15, 1976, between 1:58 and 2:15, was in fact, KOLM Radio.

We have received few reports from the Nebraska area, and yours was very welcome. I imagine part of our problem of getting into that area, would be the KOMA signal, which you confirm, was giving us problems.

Keep up the good D-X-ing.

Yours truly,
