Dear Bill:

Thank you for your letters of December 9 and January 21. I am sorry that I didn't answer your first letter but I found it only about five minutes ago while cleaning out my junkie desk. I just looked at the calendar and found that I was the one on duty when you heard WWJC, on both the 9th of December and also the engineer running the test on the night of the 21st of January.

This letter is to verify the reception of WWJC, Duluth, Minnesota by Bill Nittler on both days: December 9, 1973 and January 21st, 1974.

I was asked to run a test of WWJC for the International Radio Club of America two years ago. --- (around Jan 12th, 1972). I am a ham radio operator and so is my boss. Best of DX in the future, Bill.

Sincerely yours:
