Dear Maurice,

Please accept this letter as verification of your reception of this station on the morning of May 9, 1958. Following is an excerpt of our operating log for this day:

1:05:30 AM	CDT	Carrier on
1:06:45		1000 cy tone on and off intermittently until
1:10		
1:10		Program on (Music for test purposes)
1:59:58		Program off
2:00	AM CDT	Carrier off

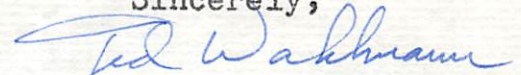

As you can see, this confirms fully your report of reception.

KADY is a daytime radio station operating with 5000 Watts on 1460 KC. Our equipment is of Collins Co. manufacture. We operate with one studio and a control room-studio. Our studio and transmitting facilities are located in the same building. We utilize a two element transmitting tower system.

We invite you to visit us any time you are in this area.

Thank you very much for your letter.

Sincerely,

Ted Wahlmann
