

RADIO KWPM STATION

WEST PLAINS, MISSOURI

Dear Mr. Nittler,

In response to your request for a V.C. here goes: We did conduct our freq. check Jan. 19, but your time was slightly in error. We were on from 12:40 to 12:55 A.M. but I think the time difference would be easy to explain.

Sincerely yours,

Laurel Thompson  
Engineer, KWPM
