Dear Maurice:

This will confirm your letter of December 6, 1956, in that you heard the call letters of Radio Station WABO during a frequency check.

WABO is a reasonably new station in Waynesboro, Wayne County, Mississippi and has been in operation for about  $2\frac{1}{2}$  years. The population is approximately 5,000. Wayne County is located on the South East border of Mississippi, near the Alabama line.

I enjoyed your letter.

Very truly yours,

*Nate*
