NEWTON, MISS.

Feb. 5 1960

Dear Mr. Riddle

I received your report on our frequency check of Feb.  
1, and I am happy to inform you that all readings  
correspond with readings made by our staff..

Local temperature was 42° Clear

We were on the air from 1:00 to 1:30 A. M. (C.S.T.).

I appreciate greatly your interest in monitoring our  
broadcast and I hope you will continue to do so. Our next  
frequency check is on Mar 7 at 1:00 A.M. (C.S.T.).

Thanks again for listening.

Sincerely yours,

*Jed Sawceman*

Chief Engineer
