DEAR MAURICE,

FIRST, THANKS EVER SO MUCH FOR YOUR RECEPTION REPORT ON OUR OPERATION WAAAAYYYY OUT THERE IN DENVER. THAT COUNTRY BOY JIMMY YOU HAPPENED TO PICK UP WAS YOUR'S TRULY AND, NEEDLESS TO SAY, I AM TICKLED IN MORE WAYS THAN ONE. NOT ONLY FROM THE D.J. POINT OF VIEW, BUT AS HAS FALLEN MY LOT, I AM ALSO CHIEF ENGINEER. SO...

MAURICE, REALLY, IT WAS SO NICE HEARING FROM YOU AND I AM GLAD TO CONFIRM YOUR RECEPTION ALTHOUGH I MIGHT ADD, RECENTLY I GOT A REPORT FROM LA CRESCENTA, CALIF.

WE OPERATE ON 5 KW NON-DIRECTIONAL WITH AN EARLY SIGN ON AT 4 A.M. MONDAY THRU SATURDAY AND BESIDES THAT WAKE-UP DELTA COUNTRY SHOW OF MINE ARE PRIMARILY TOP 40. I RUN OUR COLLINS 21E XMITTER WITH A PLATE VOLTAGE OF AROUND 5500, PLATE CURRENT OF AROUND 1400, WHICH LOADS MY ANTENNA TO 8.95. OUR STUDIOS ARE REMOTE BEING DOWNTOWN AT 118 S. BROADWAY.

LET ME SAY THAT YOUR REPORT REALLY SHOOK ME BECAUSE, YOU SEE, THE PRESIDENT OF THE CORPORATION THAT OWNS THIS STATION LIVES THERE IN DENVER...AND ALL ALONG, I THOUGHT FOR ONCE, I MIGHT GET BY WITH SOMETHING WITHOUT THE WHEEL KNOWING ABOUT IT.

WE WOULD APPRECIATE YOUR GIVING HIM A RING AND LETTING HIM KNOW OF YOUR PICK-UP. HE IS:

DAVID M. SEGAL

IMPERIAL MOTEL
PHONE KEYSTONE 4-8137

MAURICE, THANKS AGAIN AND IF THERE IS ANYTHING I HAVE LEFT OUT, PLEASE FEEL FREE TO LET ME KNOW.

YOUR'S TRULY,

JIMMY TUGWELL
Chief Engineer
