P. O. BOX 548

BAY SPRINGS, MISSISSIPPI 39422

August 24, 1972

Dear Mr. Nittler,

Please accept this letter as verification of your reception of my test transmission of August 17, 1972. The purpose of the test transmission was to have our carrier frequency checked by Mr. Claude Gray, consulting engineer of Birmingham, Alabama. Find enclosed a coverage map and a description of our format. Thank you for your report.

Sincerely,

*Rom Diaz*  
Chief Engineer WHII
