Dear Mr. Nittler:

This is to verify your reception of radio station WKOZ on the morning of August 11, 1955.

WKOZ has been operating at a power of 5,000 watts for about two and a half months now. We sign on at 4:55 CST and sign off at 6:45 PM CST.

Kosciusko is a town of about ten thousand located in the exact geographical center of Mississippi.

This is WKOZ's eighth year of operation; and we are now as strong as any other Mississippi station.

Thanks for your report of reception.

Cordially yours,  
Radio Station WKOZ
