Dear Bill,

This is to acknowledge your receipt of our signal on the morning of January 3rd from 1:00 to 1:30, 1966... and to thank you very much for writing.

So far the only other letter I have gotten from your area was from David Johnson of 8263 Mansfield in Denver 80237. Maybe you know of him: he also is a member of IRCA and was listening at the same time on a Hallicrafters.

Thanks again for listening and writing and if ever you are in this neck of the woods be sure to drop in and say hi.
