Maurice W. Nittler  
3663 So. Clarkson  
Englewood, Colorado

Mr. Nittler:

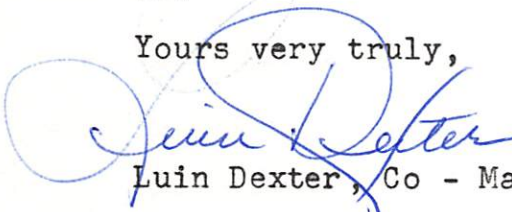

Thanks very much for your letter of February 13, 1961, advising that you received our signal during an equipment test early that morning. It's nice to know that our signal is getting out.

We have been on the air only since February 3rd, so it's doubly good to hear from you. Our equipment has been working beautifully thus far, and we certainly hope our good fortune will continue.

You asked for a card or letter of verification.....Since we are brand new, the only printed propaganda we have is a rate card, but perhaps you can find a use for it, decorating a wall or something. At any rate, I'll enclose it, for you to do with as you wish.

Again, thanks very much for your letter.....we certainly appreciate it.

Yours very truly,

  
Luin Dexter, Co - Manager, Chief Engineer, KLYQ Radio.
