Dear Mr. Nittler,

We wish to thank you for your letter regarding our signal on the morning of October 25th.

This letter acknowledges that you received our frequency test transmission from 217AM until 230AM MST Monday morning. Our transmitter was on from 2AM until 230AM MST for the check with Point Reyes, California an RCA receiving station.

Again many thanks for your letter and we remain,

Yours truly,

John R Chyle
