Dear Sirs:

Received your letters in the mail today, and was very pleased to hear from you regarding the reception of our special March of Dimes Program last Sunday night and Monday Morning.

Ordinarily, this station operates from 6:30 AM until 10:30 PM, although we are licensed for unlimited operation. The March of Dimes program was a special benefit on behalf of the Station, the Lewistown Firemen, Lion's Club... and the many artists who appeared.

I regret that we cannot send you program schedules, since we do not print them...but since we are just a 250 Watt Station, you probably would be only able to pick us up on a special occasion such as this when we stay on after midnight.

Again, I wish to express my appreciation for your letters... we are going to see that everyone participating on and for the program gets to read them.

Thank you very much.

Sincerely,

Donald C. Williams
