Dear Mr. Nittler:

We appreciated your kind report of reception of our Radio Station X. E.E.B. Sorry be too late.

Esperanza, Son., is a suburb of Ciudad Obregón, Son., one of the most beautiful and modern city in the west coast of México. As a matter of fact we installed X.E.E.B. in Esperanza, but ~~off~~ for servicing Ciudad Obregón.

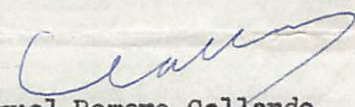

Esperanza, Son., is a small town and we have a population of 12,000 people.

Ciudad Obregón, Son., is the second largest city in Sonora State, we have a population of 85,000 people. Is located in the heart of the famous Valle de l Yaqui (Yaky Valley), the largest irrigation sistem in Latin America and the principal producer of wheat, saffron and cotton in México.

We are surprised to know, that our small Station was listened in Colorado a far place, because our transmitter is only 250 watts of power.

We are enclosing some Mexican postage stamps. My secretary, miss Nelly Zazueta, use to collect stamps and is she who are sending to you.

Good luck to you in your futeres activities and tanks again.

Manuel Romero Gallardo.
