Mr. Nittler:

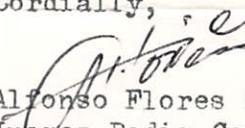

It is with great pleasure that we answer your letter of November 10th., to confirm your reception of our Radio Station XEF., "RADIO CORAZON" in Juarez, Chihuahua, Mexico.

What you heard and did not understand, was the announcer giving the correct time. As there is an hour difference, between El Paso and Juarez..he says: 9.05 in Juarez...8.05 in El Paso. After - the song: "Do you know the way to San Jose" the announcement that - followed was: "Radio Corazon...PRIMERA EN NOVELAS...which means... "First in SoapOperas"..as we broadcast 15 daily.

Thank you for your good wishes. We appreciate your report very much, and we hope you may be able to catch our signal again, but with a better reception.

Lots of luck and success in all your radio activities.

Cordially,

Alfonso Flores C.
Juarez Radio Center

*Merry
