Dear Sir,

Received request for your verification of reception of X E M O and we are returning your card separately so that you will get the post mark stamped on it.

Since you live so close to where I used to live, I thought I would drop you a line and tell you that my home state is Colorado. I used to go to West Denver High and my Dad still lives close to you at, 2201 South Bannock.

Very seldom write letters unless it pertains to business, so, my Dad doesn't even know that I am in the radio business. If you get a chance to call him on the phone, tell him you are listening to his son's radio station. Guess I'd better sit down and write him a letter, too. By the way, his name is James A. Zingheim. I don't know whether he has a radio that will reach our station or not, as many of the radios are knocked out by K O A if they don't have a directional antenna. In fact we have quite a bit of interference from K O A.

Wish to take this opportunity to again thank you; and listen to us, often. Good luck and good listening.

Mr. Bob Zingheim,  
General Manager,  
Radio Station XEMO
