Dear Mr. Nittler:

This is to verify that you have correctly reported reception of Radio Station WIRC, according to our program and transmitter logs, on October 28, 1963, from 5:00 AM until 5:06 AM.

We at WIRC are happy to have received your report of our broadcasts. The information submitted will be helpful to our engineering department and interesting to the rest of us.

Best wishes for continued good listening as a BC Dx'er.
