Box 94
Geneva, Nebraska

Dear Geneva:

Thanks for the nice report on our signal on February 21 between 3:30 and 4:00. I am glad to verify your reception on the loop antenna and the Emerson. I just answered your brother's report from Denver, he heard us on his Zenith. Thanks for the location of Geneva, I was wondering where to find it, too small for my map I guess.

Best regards.

Yours very truly,

Art Humphrey
