Dear Mr. Nittler,

It is a pleasure to verify your reception of WTAB on Nov. 28, 1954 from 4 to 4:30 AM EST. I enjoyed doing this program for members of NCC and have received interesting reports from members all over the states and in Canada.

Received a report from Francis Nittler of Denver Colo. who said you were his brother and that we'd probably hear from you.

Best wishes  
Arthur J. C. E.
