Dear Bill:

Thank you for your recent letter. It is exciting to hear of your reception of our AM signal in Nebraska!

I am happy to verify the program details listed in your letter as correct. Your list of activities on KFNW between 1:43 and 2:00pm was most accurate.

You have a most interesting hobby. It must be fun receiving verification of your efforts from all over the world.

Sincerely,

*Lee Taylor*
