Dear Mr. Nittler:

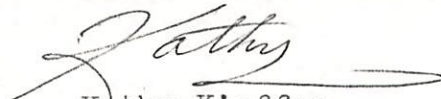

We were very pleased to receive your very nice letter of April 29.

Yes, it was our signal that you received on your radio concerning the Minnesota Twins and the Los Angeles Angels' ballgame.

We are always happy to learn about the information you wrote, and we appreciate the time you took to write us.

Also, it sounds like you live in such a nice little city, and I hope if I ever am in Colorado, I can visit your Englewood.

Sincerely,

Kathy Kieffer,  
Secretary
