CONFIRMATION OF RECEPTION

I am pleased to confirm your reception of KLTC Radio,  
1460 Khz, Dickinson, North Dakota.

On Wednesday, March 7, 1979 by Bill Nittler in McCook, NE.

Come spring we should be approved for full-time signal,  
seems our original signal would have created a problem  
in Medicine Hat Alberta, Canada. Thanks for writing,  
we're going like GANG BUSTERS!

Kindest regards,

Ray David, President & General Manager
