HETTINGER BROADCASTING COMPANY

Hettinger, North Dakota

K N D C Hettinger, North Dakota

Serves an area of 23 counties in North Dakota, South Dakota, and Montana populated by 139,630 people.

In this area are 34,152 homes with one or more radios, plus the huge number of radios on area highways and in business places.

These figures are based on the 1950 census reports. In most cases present statistics would show larger figures.

KNDC has advertising time divided into classes.

CLASS A TIME, which runs from 7:00 a.m. to 1:00 p.m.

CLASS B TIME, which runs from 1:00 p.m. to 8:00 p.m. (Sign Off)

KNDC operates on a power of 250 watts and broadcasts on 1490 kilocycles. Our broadcast p.m.
