Mr. Maurice W. Nittler,
Shickley, Nebr.

Dear Sir:

This will verify your reception of our station on December 14, 1953 between 2:00 and 3:00 A.M. C.S.T. Very glad to hear from you.

DX'ing is a hobby of many people in this and other countries, and is essentially the practice of tuning in radio stations, keeping a record of your reception, and, in most cases writing to the station for a card or letter of verification. In writing for verification you should always enclose return postage. Would suggest you write to the Newark News Radio Club, 215 Market Street, Newark, New Jersey for more information. I have been a member of this DX Club for many years.

Sincerely yours,

Radio Station KCNI
