Dear Sir:

Thank you very much for your letter of March 28 on the reception of the KHAS frequency check. This is to verify your reception of this station on March 28, 1955 at 5:15 AM. We have a frequency measurement broadcast each second and fourth Monday of every month. Our frequency is measured by a company in Kansas City, Missouri.

Thanks very much for your information of reception of our station during regular broadcast hours and we are happy to have our station added to your DX collection.

Sincerely,

RADIO STATION KHAS
