Dear Mr. Nittler:

Thanks for your letter received this morning.

We are happy to send you a verification of your reception of our station on May 6, 1959 - 12:27 A.M. - MST.

Our station is owned and operated by a corporation, composed of local people here and around Kimball. We operate on 1260 kilocycles, with a power of 1000 Watts - daytimes.

We are glad you were able to receive us in Englewood, and appreciate your writing.

Yours very truly,

KIMBALL BROADCASTING CO.
