

Bill Nittler  
P.O. Box 824  
Mancos, Co 81328

October 31, 2002

Dear Bill,

This confirms the programming you reported in your letter. KKSC runs at 50,000 watts day, 1,400 sunset power.

As you visited relatives, I was thinking about a long time news man in town by the name of Joe Nittler.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Hansen".

Mike Hansen  
General Manager  
KKSC
