Dear Bill:

Thank you for your recent letter reporting your reception of KNGN on March 14, 1992.

I am pleased to confirm your report.

KNGN is a non-profit, non-commercial, listener-supported Christian radio station that began broadcasting on Sunday, April 8, 1990 from its studio at Peace Lutheran Church in McCook.

I've enclosed a window sticker and a pamphlet with more information about KNGN.

Again, thanks for your report. I have received reception reports from other persons in Colorado, but I believe your's is the furthest in distance.

In Christ's service,

Greg Fairow
KNGN Director of Operations
