Dear Bill:

Received your letter this a.m. asking for a verification of reception from our station. I am sorry that we didn't answer your first request. I don't know what happened.

In checking the logs I find that on March 29, 1968 we did run a test at the times you indicated.

In your letter you said you were from Shickley, Nebraska. Hi neighbor. I was born and raised in York. I know that area very well. I use to work for A.J. Dresden in York and called on Schickley every week. Good pheasant hunting in that area.

Once again I am sorry we took so long to answer your letter. Thanks for pulling for the "Big Red" they will need it.

Sincerely,

A handwritten signature in cursive script that reads "Roger Elder".
