

Mr. Bill Nittler  
Box 824  
Mancos, Co. 81328

Dear Bill:

Thank you for writing the letter letting us know of you picking up our radio signal. It is always interesting to find out where our signal is heard.

Let this letter confirm that your reception of KANM AM 1600 in Albuquerque, New Mexico on October 31, 2002 starting at 1540 (3:40pm)

The items you mentioned all correspond with what the program log showed we ran.

KANM AM 1600 operates with 10,000 watts daytime and 128 watts at night. Our antenna is non-directional. We operate on a 24-hour a day schedule.

Thanks you so much for you letter.

John Aragon  
Owner KANM Radio
