Dear Mr. Nittler

I am writing in response to your letter received by me on Jan 22 1985. I am very pleased to be able to verify your reception of KBAD radio on Dec 4 1984.

It is not often that we get letters from people that hear our signal that far away. I hope that this letter is satisfactory for confirmation of your reception of our signal, as I have not written any letters like this before.

Thank you again for your letter.

Sincerely,
