

THE STATION WITH A HEART / 1150 AM - 94.1 FM / TOWER BUILDING / PHONE 247-2333 / ALBUQUERQUE, NEW MEXICO

Bill Nittler

9/15/65

Thanks for your letter, verifying  
reception of KDEF.

Distant reception of all but clear channel  
stations is becoming quite impossible  
due to congestion, but occasional conditions  
will prevail and in come the letters!

Hope this will in a small way compensate  
you for your interest.

Regards.

E. Lemoets  
Chief Engineer

Our sister station is KHOW, Denver.
