Dear Bill:

Thanks for your patience concerning our acknowledgement of your reception of our station KRSY 1230. We congratulate you on your hobby. This is a 1000 watt station broadcasting twenty-four hours a day. Our format consists of such national programmings as ESPN Sports, Rush Limbaugh, Michael Medved and David Gold. Locally, we broadcast high school and college sporting events. On Wednesday and Saturday evenings we broadcast Big Band music and Sundays we go with Spanish Music at it's best. Versatility is what keeps us the number ONE rated AM station in the market.

I hope we have answered your questions and again appreciate your interest in our station. Keep listening!!!

Sincerely,
