Dear Maurice,

According to my records we did have a scheduled frequency test at the date and time you stated in your letter.

NEW MEXICO

KVOD
ALBUQUERQUE
1,000 W - 730 KC

KRAC
ALAMOGORDO
1,000 W - 1270 KC

Thanks very much for your report. I am always happy to receive these reports. I notice that the majority of reports come from members of the National Radio Club. These reports are always of the highest quality and accuracy.

KVOD, in Albuquerque, is now a 1000 watt, directional, daytime only station. We program popular music and a minimum of talking.

TEXAS

KINT
EL PASO
1,000 - 1590 KC

Once again, thanks for the report. Hoping to hear from you at one of our other stations, I remain,

Bob Peticolas
Chief Engineer
