Dear Mr. Nittler,

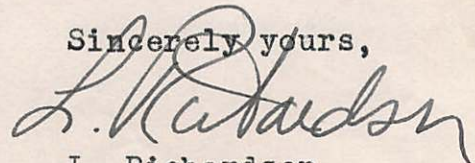

Your letter reporting having heard KBMI is very much appreciated as it is always nice to know we have D.X. listeners.

We have checked our log for October 6th. and find your report correct as to time and selections you heard.

Thank you for your interest and effort in sending us your report.

Kindest best wishes.

Sincerely yours,

L. Richardson

P.S. Very sorry about the delay in sending this reply. Quite busy! We've been swamped with D.X. letters from all over the United States.

PPS. We heard from another DX'er named Nittler ... Francis H. Nittler, 1135 Grant St., Apt. #2, Denver 3, Colorado.
