Mr. Maurice W. Nittler  
2818 South Cherokee  
Englewood, Colorado

This is to verify your letter of Nov. 15 on the  
reception of KORK AT 12:29 am PST during our  
Bonanza Airlines Program.

Picking us up on 1340 with 250 Watts and such a  
crowded channel is really something.

Thanks for your letter.
