Dear Bill,

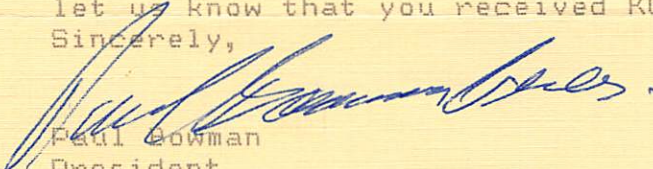

We were very happy to hear from you. KOWA is a very new station to Las Vegas, we just went on the air September the first. Yours is the first letter of it's kind that we have received and we were pleasantly surprised to hear that you picked us up at all.

Consider your reception of KOWA on November 12, 1991 verified. The man and woman you heard was my wife and myself who host the morning show from 6:00am to 9:00am. Vivian and I bought the station and brought a whole new meaning to the words country music in Las Vegas. Our station is strictly Million Dollar Country as you can see by the flyer I enclosed, I just thought you might like a little information on the station.

As I said earlier the station is just starting out, but we expect to have our bumper stickers very soon and I have added you to our mailing list so you will be sure to get one even though you can't listen to KOWA on a regular basis.

Thank you again so much for taking the time to write and let us know that you received KOWA.

Sincerely,

Paul Bowman
President
