Dear Bill:

Thank you for your report of reception of KROL in Laughlin and Las Vegas. We actually have two studios and transmitter locations about one hundred miles apart. Our nighttime power in Laughlin is 1,000 watts. Our nighttime power in Las Vegas has been at 250 watts with more expected soon.

What you heard is what we played at the times indicated in your letter.

Again, thank you for your reception report.

Sincerely,

Joe Reynolds
General Manager
