SALES MANAGER WNBC-WNBC-FM

October 14, 1954

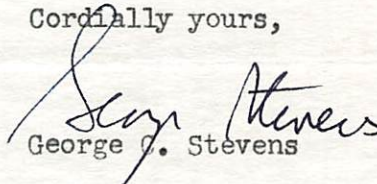

Dear Mr. Nittler:

Thank you very much for your letter of October 8.

We were very pleased that you were able to get our signal clearly out in Nebraska, and hope that you enjoyed the programming. While we cannot promise to provide good listening for you every night, we hope that conditions will allow you reception frequently.

Thank you for writing to us.

Cordially yours,

George C. Stevens
