

BROADCASTING CORPORATION  
DAYTON, OHIO

H. K. CROWL  
PRESIDENT

April 13, 1962

Dear Mr. Nittler:

Many thanks for your DX report concerning radio station WAVI.

WAVI is a 250 watt daytimer, 1210 kilocycles, single tower non-directional.

Again thanks for your interest.

I am

Cordially,

A handwritten signature in cursive script that reads 'Bill Gilmore'.

William Gilmore,  
Chief Engineer
