WREF

5000 WATTS ON 880 KC

February 20, 1956

Maurice W. Nittler
Box 94
Geneva, Nebraska

Dear Mr. Nittler;

This letter will verify your reception of WREF from 5:58 PM until 6:00 PM, EST, on February 12, 1956. Your report and our log are in agreement.

Worthington is located just North of Columbus. The station is five miles North of Worthington on 260 acres.

We use an RCA transmitter, a half-wave length tower, Western Electric consoles and Presto turntables.

Thank you for the report and good luck to you in logging DX.

Sincerely,

Harold W. Schaaf
