Dear Mr. Nittler:

Thank you for your letter, under date of January 15, 1955, reporting reception of WWBG's signals.

Your report of hearing a record by the Fontain sisters at 1:17 AM is correct. I had just finished doing some maintenace work on the transmitter and put two records on prior to closing down and going home.

Sincerely yours,

A handwritten signature in cursive script that reads "George D. Stearns".
