Dear Mr. Nittler:

This will verify that you were receiving our
equipment test broadcast of March 28, 1959.

Can understand that you had some difficulty in
receiving us...the mexican stations splatter
in here with much gusto.

Thanks for the letter.

Sincerely,

Marvin Hull
Mgr.

The duck and goose will always lay
An egg of larger size
But no one calls for them today.
You see, they're not so wise.

The Hen, her egg's in great demand.
Her wares, the housewife buys.
Cause when Hen lays, she takes the stand
And shouts it to the skies.

Which goes to show what you should do:
(And this is no surprise.)
K-H-E-N can sell for YOU!
IT PAYS TO ADVERTISE!
