Dear Mr. Nittler;

B. J. Kirby here just to say how glad we were to know you received our signal in 1980. I was not employed here in 80 and had no knowledge of "Million Dollar Music". But it sounds like things were "hoppin"!

Keep it up and let us know if you receive our station again. Again, thanks for your interest!

Thanks for the Effort,

B. J. Kirby,
