Dear Mr. Nittler:

Thanks for your very nice letter and this is to verify your reception of KTOK on Wednesday, October 13, 1954.

We appreciate hearing from you and are enclosing one of our latest program schedules.

Starting Monday, October 18 we are extending our operation to 3:00 AM with a disc jockey show which we think will be welcomed by people who listen to radio after 12:00 M. If you should be listening, how about a comment?

Sincerely yours,

Tom Johnson
Manager
